  - 2.3 **Backup Copy.** You may make one backup copy of the Software, provided your backup copy is not installed or used on any computer. You may not transfer the rights to a backup copy unless you transfer all rights in the Software as provided under Section 4.
  - 2.4 **No Modification.**
    - 2.4.1 You may not modify, adapt, translate, reverse engineer, decompile, disassemble or otherwise attempt to discover the source code of the Software.

3. **Intellectual Property Rights.**
  - 3.1 **Title.** The Software and any copies that you are authorized by SecureGSM to make are the intellectual property of and are owned by SecureGSM. The structure, organization and code of the Software are the valuable trade secrets and confidential information of SecureGSM. The Software is protected by copyright, including without limitation by Australian Copyright Law, international treaty provisions and applicable laws in the country in which it is being used and/or purchased. You may not copy the Software, except as set forth in Section 2 ("Software License"). Any copies that you are permitted to make pursuant to this Agreement must contain the same copyright and other proprietary notices that appear on or in the Software.
  - 3.2 **Reverse Engineering.** Unless specifically and expressly permitted by SecureGSM, you agree not to modify, adapt or translate the Software. You also agree not to reverse engineer, decompile, disassemble or otherwise attempt to discover the source code of the Software except to the extent

you may be expressly permitted to decompile under applicable law. Any information supplied by SecureGSM or obtained by you, may only be used by you for the purpose described herein and may not be disclosed to any third party or used to create any software which is substantially similar to the expression of the Software.

3.3 **Reservation.** Except as expressly stated herein, this Agreement does not grant you any intellectual property rights in the Software and all rights not expressly granted herein are reserved by SecureGSM.

3.4 **High risk activities.** The software product is not fault-tolerant and is not designed, manufactured or intended for use or resale as on-line control equipment in hazardous environments requiring fail-safe performance, such as in the operation of nuclear facilities, aircraft navigation or communication systems, air traffic control, direct life support machines, or weapons systems, in which the failure of the software product could lead directly to death, personal injury, severe physical or environmental damage ("High Risk Activities"). SecureGSM and its suppliers specifically disclaim any express or implied warranty of fitness for High Risk Activities.

4. **Software Transfer.** Due to the cryptographic nature of the Software the initial user of the software product may not transfer the Software directly to an end user without the express permission of SecureGSM. In a case where a transfer has been authorized by SecureGSM, this transfer must include all of the software product (including all component parts, the media and printed materials, any upgrades, this EULA, and, if applicable, any Certificate of Authenticity) and the transferee must agree to the terms of this EULA, including the obligation not to further transfer this EULA and software product. If the software product is an upgrade, any transfer must include all prior versions of this software product.

5. **Refunds.** Due to the cryptographic nature of the SecureGSM software, we cannot offer any refunds after the license registration process is complete. We encourage our customers to field test our software using the evaluation version prior to purchase. Apart from the lowered level of security, the evaluation version software operates identically to the Pro version in all respects.

Please ensure that you are satisfied with all features, operation, audio quality and usability prior to purchasing our product. There is no time limit on the use of the evaluation version, and therefore you are free to evaluate for as long as necessary.

It is our strict policy that no refunds will be given after the license registration process is complete.

In exceptional circumstances we will execute due process; however we reserve the right to decline any refunds in all instances.

6. **Bundling.** In no case may the Software be bundled with hardware or other software without written permission from SecureGSM.

7. **Distribution.** Permission to distribute the Software, commercial, evaluation versions or otherwise, is applicable only to the entity with whom written permission is provided and its subsidiaries. Each entity wishing to distribute the Software must independently satisfy the terms of the distribution license.

8. **Multiple Environment Software / Multiple Language Software / Dual Media Software / Multiple Copies / Bundles / Updates.** If the Software supports multiple platforms or languages, if you receive the Software on multiple media, if you otherwise receive multiple copies of the Software, or if you received the Software bundled with other software, the total number of your computers on which all versions of the Software are installed may not exceed the Permitted Number. You may not, rent, lease, sublicense, lend or transfer any versions or copies of such Software you do not Use. If the Software is an Update to a previous version of the Software, you must possess a valid license to such previous version in order to Use the Update. You may continue to Use the previous version of the Software on your computer after you receive the Update to assist you in the transition to the Update, provided that: the Update and the previous version are installed on the same computer; the previous version or copies thereof are not transferred to another party or computer unless all copies of the Update are also transferred to such party or computer; and you acknowledge that any obligation SecureGSM may have to support the previous version of the Software may be ended upon availability of the Update.

SecureGSM AND ITS SUPPLIERS DO NOT AND CANNOT WARRANT THE PERFORMANCE OR RESULTS YOU MAY OBTAIN BY USING THE SOFTWARE. EXCEPT FOR ANY WARRANTY, CONDITION, REPRESENTATION OR TERM TO THE EXTENT TO WHICH THE SAME CANNOT OR MAY NOT BE EXCLUDED OR LIMITED BY LAW APPLICABLE TO YOU IN YOUR JURISDICTION, SecureGSM AND ITS SUPPLIERS MAKE NO WARRANTIES CONDITIONS, REPRESENTATIONS, OR TERMS (EXPRESS OR IMPLIED WHETHER BY STATUTE, COMMON LAW, CUSTOM, USAGE OR OTHERWISE) AS TO ANY MATTER INCLUDING WITHOUT LIMITATION NONINFRINGEMENT OF THIRD PARTY RIGHTS, MERCHANTABILITY, INTEGRATION, SATISFACTORY QUALITY, OR FITNESS FOR ANY PARTICULAR PURPOSE.

10. **LIMITATION OF LIABILITY.** IN NO EVENT WILL SecureGSM OR ITS SUPPLIERS BE LIABLE TO YOU FOR ANY DAMAGES, CLAIMS OR COSTS WHATSOEVER OR ANY CONSEQUENTIAL, INDIRECT, INCIDENTAL DAMAGES, OR ANY LOST PROFITS OR LOST SAVINGS, EVEN IF A SecureGSM REPRESENTATIVE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH LOSS, DAMAGES, CLAIMS OR COSTS OR FOR ANY

CLAIM BY ANY THIRD PARTY. THE FOREGOING LIMITATIONS AND EXCLUSIONS APPLY TO THE EXTENT PERMITTED BY APPLICABLE LAW IN YOUR JURISDICTION. SecureGSM'S AGGREGATE LIABILITY AND THAT OF ITS SUPPLIERS UNDER OR IN CONNECTION WITH THIS AGREEMENT SHALL BE LIMITED TO THE AMOUNT PAID FOR THE SOFTWARE, IF ANY.

13. **General Provisions.** If any part of this Agreement is found void and unenforceable, it will not affect the validity of the balance of the Agreement, which shall remain valid and enforceable according to its terms. This Agreement shall not prejudice the statutory rights of any party dealing as a consumer. This Agreement may only be modified by a writing signed by an authorized officer of SecureGSM. Updates may be licensed to you by SecureGSM with additional or different terms. This is the entire agreement between SecureGSM and you relating to the Software and it supersedes any prior representations, discussions, undertakings, communications or advertising relating to the Software.
